## WARNIE SMITH HELD TO DRAW BY THORPE; DECISION UNPOPULAR

Youngster Frequently Has Veteran in Trouble; Harvey Boomed by Crowd for Clinching; Smith Aggressor Throughout

OKLAHOMA CITY, Jan. 6.—Harvey Thorpe of Kansas City, Mo., and Warnie Smith of Bartlesville fought to a draw here tonight, according to the referee's decision. The men weighed in at 148 pounds. Smith was the aggressor in almost every round, Thorpe being repeatedly knocked down by the crowd for failing to meet him half way, and for his clinching. The decision met with disfavor from the fans. In the third round Smith sent a terrific uppercut to Thorpe's jaw, which shook the Kansas City man considerably. Smith took the ninth round by a wide margin, leaving him with the crowd for clinching. In the initial round not a single solid blow was delivered, each man seemingly feeling out his opponent. Thorpe took the seventh round by a wide margin. In the semi-windup Patsey Flanagan of Oklahoma City won an unpopular referee's decision over Sailor Anderson of Quincy, Mo., in a six-round bout. The fans protested the referee's judgment vociferously, claiming a draw should have been declared. The boxers each weighed 154 pounds.

Kid Riley of Shawnee added another scalp to his pugilistic belt by defeating decisively Marty Brown of Oklahoma City in a scheduled four-round bout, according to the referee's decision.

It was Riley's fight in every round. He connected repeatedly with the jaw of the Oklahoma City boy, and displayed better action than he has on any of his previous bouts, his blows carrying more of the so-called "push" behind them. The men entered the ring at 115 pounds.

## VETERANS FLASH BACK INTO FORM AND WIN HONORS

Neb. Wild Bill, Killarney Lad and Billy Ray in 'Come-Back' Mood

Had some greyhound racing fans visited Mid-Continent park yesterday afternoon for the first time since last summer, having been clear out of touch with the springing canines in the meantime, the world certainly would have been his oyster. For yesterday's program witnessed the return to winning form of three oldtime favorites whose recent efforts have been rather mediocre. Nebraska Wild Bill, Killarney Lad and Billy Ray made up the successful trio of veterans.

Nebraska Wild Bill made a one-day race out of the third event, breezing in six lengths ahead of Credit Rue with Wild Dillon third. Killarney Lad's "beating back" act came in the fifth, and he had a mighty hard time beating Credit Rue by a scant neck, the same margin the second dog had over Sullivan in third place. Billy Ray led nearly all the way in the day's finale, finishing with five lengths to spare in front of Flying Clara. Rush Reuben was third and The Tiger and Marblehead brought up the rear. Wildest Dillon was scratched because of illness.

A pair of dogs that have been very successful in distance events lately will come together today in the fourth event at five-sixteenths mile. Collars, lower of a hard luck race on his last out, and Handsome Ray, several times winner at this meeting, Naomi, Fair Chance, Flirty Boy and Jole Ray also are in the race.

A spring at three-sixteenths that will see some of the stars in competition is scheduled in the third today. Jeenerue, Cinder Path, Dutch Bergman, Kiowa, Sunburn and Parton also ran.

## Playing of Mrs. Mallory and Tilden 1921 Net Features

William T. Tilden II and Mrs. Molla Bjurstedt Mallory.

By NORMAN E. BROWN.  
America's supremacy in sport never was demonstrated more conclusively to Americans and the world in general than it was by the United States tennis stars during the year 1921. The past year lay down as the greatest in the history of the sport.

Speaking generally, more tournaments were held in the United States than ever before. More clubs and communities awakened in the demand for the game and provided adequate provisions for the game. And then, in the national and international matches the leading players of the United States stood out like lighthouses on a rockbound coast.

William T. Tilden, modest and smiling, was the biggest hero of the year. Holder of the international championship by virtue of his victory on the famous Wimbledon courts in 1920, Tilden returned to England and on the same court defended his title. Despite illness, he won the final match against J. C. Worton, a South African star. His claims for international honors were made doubly clear by an earlier feat in winning the hard court tournament in France.

Returning to the United States, Tilden represented his country on the Davis cup team, chosen to defend the trophy. With R. Norris Williams, William M. Johnston and Watson Washburn, he successfully defended the cup, making a clean sweep of the series.

The cup matches gave American tennis devotees some real tennis. Teams from many foreign countries, composed of the greatest net stars in the respective lands, came to this country and staged the preliminary matches. The appearance of these teams in many sections of the country provided real tests for tennis.

## BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets Are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. These little olive-colored tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. The pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel irritates the system, gives the gums, so do strong liquids. It is best not to take calomel. Let Dr. Edwards' Olive Tablets take its place. Headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lousy" and "heavy." They "clear" clouded brain and "perk up" the spirits. 15c and 30c.—Advertisement.

## TULSA HI CAGERS TRIM MUSKOGEE IN TIGHT BATTLE

Score Is 23 to 18; Large Crowd Sees Old Rivals Renew Struggle

Tulsa high school basketballers won a hard fought game from Muskogee high cagers last night at the T. H. S. gym, 23 to 18. Bolling and Lawton of Tulsa and Bower and Ward of Muskogee led in the scoring. The gym was filled to capacity with spectators. Muskogee has not yet been reinstated by the State High School association, but the suspension imposed for playing ineligible men on the 1920 football team is to be lifted at the winter meeting.

Last night's game was the first important clash of the season for Coach Ray's cagers, and the mentor was elated at the victory over the old rival. As Muskogee had two letter men to Tulsa's one, a hard game was certain. All the Crimson and Cream personnel showed well. Lawton throwing 4 free throws in 15 attempts while Ward of Muskogee made but eight in the same number of efforts.

Next Friday night T. H. S. will take on the Oklahoma Military academy team of Claremore and will meet Nowata the following night, both games to be played here.

The lineup:  
Tulsa (23): Pos. Muskogee (18): Cook, F. Bower (6); Bolling, F. Brock; Keith, C. Ward; Ledford, G. Strathorn; Lawton (4).  
Scoring: Field goals—Cook, Bolling 2, Keith, Ledford, Bower 3, Brock, Ward. Free throws—Lawton 11, Ward 8.

Officials—Malone, referee; Brennan and Faulkner, timekeepers; Downing, scorekeeper.

## 12,000 Pounds Side Bet Put on Lewis-Carp Bout

LONDON, Jan. 6.—Ted (Kid) Lewis, English welter and middleweight champion, today has been matched with Georges Carpentier for a fight in March for £12,000 a side bet and a purse.

He has grown heavier, too, and is considered a good match for Carpentier by English critics.
